Willie H., only son of Dr. P. A. and Mrs. M. R. Pearson, on saturday, June 28th, 1899, died of dropsy, aged fourteen years, six months and seven-

teen days.

Though only a boy fourteen and one-half years of age at the time of one-half years of age at the time of his decease he possessed a character of manly simplicity which had already strongly impressed itself upon all who knew him. Frail in body, yet strong in intellectual and moral attainments, he was an universal favorite, his aweet Christian character winning him easy access to all hearts. His departure was marked by perfect peace and even gladness. All unite in thankfulness for the blessing his young life has been to this community and in sympathy with his bereaved parents and sister Gertie at the loss which is world, love without money or money without love.—Atchison Globe. hared by us all.
